

Steve Lee

Creative and Production Services

Since 1992, Steve Lee and Robert Worley have functioned through various entities as a proven creative team on a long, diverse list of accounts to exciting results. High energy and enthusiasm characterize their work.

Steve and his extended design team encompass virtually every form of communications art, including print ads, billboards, brochures, direct mail, point of sale, newsletters, trade show displays, corporate identity packages and broadcast. Their technical expertise in digital production yields limitless creative possibilities that maximize quality and usefulness.
